Foreword

We are honoured to present the extraordinary wines of the 2025 Cape Winemakers Guild Auction. Each bottle tells a story of vision, dedication, and artistry—a testament to the spirit of collaboration and excellence that defines the Guild.

Since our founding in 1982, the Cape Winemakers Guild has championed innovation in South African winemaking, setting the benchmark for quality and pushing the boundaries of possibility. Today, we remain committed to celebrating the diversity of our terroir and the unique voices of our winemakers, while nurturing the industry's future leaders.

The Guild is a proud reflection of the dynamic evolution of South African wine. Our membership is more diverse and energetic than ever before, spanning generations, styles, and regions—from the rugged mountains of the Cederberg and the coastal slopes of Walker Bay to the bold frontiers of the Swartland and beyond.

Our commitment to transformation is embodied in the Cape Winemakers Guild Protégé Programme—South Africa's most successful winemaking mentorship initiative. Through this programme, we are shaping a new generation of world-class winemakers who bring fresh perspectives and passion to our industry.

The wines in this year's auction are as individual as the hands that made them. Crafted in limited quantities and curated for excellence, they represent the pinnacle of craftsmanship and creativity.

We invite you to savour these wines and join us in celebrating a tradition of excellence, innovation, and inclusivity.

Masters Of Their Craft

Established in 1982, the Cape Winemakers Guild (CWG) is a collective of some of South Africa's greatest winemakers. These 42 winemakers have been recognised as excelling at their craft by their peers within the Guild. Membership of the Guild is by invitation only and is extended to winemakers who have been responsible for the production of wines of excellence for a minimum of five years and who show promise of not only consistently exceeding industry standards, but also promoting the values of the Guild.

Over the last 43 years, the Guild's winemakers have demonstrated a commitment to developing the local wine industry, through innovative practices and the sharing of knowledge. The Guild and its members are investing in the future of winemaking by nurturing young winemaking talent through the Cape Winemakers Guild Development Trust and the CWG Protégé Programme.

The CWG meets regularly as a technical tasting group, providing its members with an opportunity to evaluate wines from around the world and to share their knowledge and ideas - ensuring that CWG members remain leaders in the art and science of winemaking.

The Cape Winemakers Guild Development Trust

Being recognised as industry leaders also kindles responsibility for promoting quality through continuous learning and education, and as a result, the CWG is the first organisation in South Africa to create a foundation for diversity and inclusivity in the South African wine industry.

Since the formation of the Guild's Development Trust in 1999, it has been a part of the Guild's journey to support meaningful transformation in the wine industry. Through this Trust, the CWG empowers farm employees through further education. Through its Protégé Programme, the CWG nurtures and mentors recently-graduated winemakers from historically disadvantaged backgrounds so that they can become leaders and role models within the South African wine industry.

The projects are wholly funded by CWG Charity Auctions and donations from outside organisations. To support the Protégé Programme, please participate in the Online Protégé Programme Auction, running from Thursday, 21 August to Monday 6 October, closing from 18:00 at www.straussart.co.za.

Protégé Programme

Since the inception of the Protégé Programme in 2006, 38 Protégés have completed the three-year internship and 10 are currently participating in this ongoing programme. Of those who have graduated, 22 now either hold leading winemaking roles or have their own winemaking projects.

The CWG has become a unique institution in the way all 42 members remain involved in this uplifting initiative, providing mentorship to ensure that both the industry standards and the values of the CWG exceed all expectations and are maintained by new talent and the future policymakers.

Billy Hofmeyr Agri Seta Bursary

The Guild has been able to provide 48 bursaries for promising final year students at Elsenburg College and Stellenbosch University between 2009 and 2024. The aim is to identify potential Protégés and encourage the bursary students to apply for the Protégé Programme when they graduate.

Wine Training South Africa

From 2014, the Guild has financially supported Wine Training South Africa so that they could have their courses SETA accredited.

100% Grenache Noir
Wine of Origin Bot River

Produced in small batches, this Grenache showcases a vibrant, pure fruit expression, enhanced by ageing in old wood. Crafted in a lighter, easy-drinking style, as the vines mature, the quality just continues to get better.

Tasting Notes: Bright ruby in colour, the nose offers freshly crushed red fruit, cinnamon, nutmeg, and subtle floral perfume. The palate opens softly with bold red fruit and spice, finishing long, dry, and refreshing, balanced by elegant fruit and tannins.

Le Riche

CWG Reserve Cabernet Sauvignon 2022

100% Cabernet Sauvignon
Wine of Origin Stellenbosch

Winemaker **Christo le Riche**

Selected from our two premier vineyards for the 2022 vintage, this blend draws linearity and finesse from Simonsberg fruit, while the Firgrove vineyard contributes power and depth. Notably, Stellenbosch soils are youngest on the mountain slopes and oldest in the foothills - a reflection of the region's geological history, with the mountains a relatively recent feature. Cooling oceanic breezes moderate the terroir, creating ideal conditions for Cabernet Sauvignon.

Tasting Notes: Aromatic with cherry, fresh plum, blackberry, and violet, the palate offers vibrant red and black fruit pastilles accented by hints of spearmint. These flavours unfold seamlessly alongside balanced acidity, polished fine-grained tannins, and a subtle underlying weight.

Ready for drinking from 2030 to 2035 and beyond.

Graham Beck

CWG Extra Brut Chardonnay Pinot Noir Cap Classique 2018

65% Chardonnay, 35% Pinot Noir
Wine of Origin Western Cape

Winemaker **Pieter Ferreira**

Crafted using whole-bunch handling and a selective pressing programme, this Cap Classique blend sources Chardonnay and Pinot Noir from diverse terroirs including Robertson, Stellenbosch, and Cape Agulhas. Only the finest cuvée fraction was selected after juice settling, with 20% of the Chardonnay fermented in fourth-fill Pièce Champenoise barrels. A uniquely South African sparkling wine.

Tasting Notes: Pale straw in colour, the nose is bright with lemon and lime aromas. Rich brioche notes lead onto the palate, where vibrant cherry and berry characters unfold. The wine displays a layered texture, a creamy finish, and a fine, persistent bead.

Frans K. Smit

Lamed 2021

61% Cabernet Sauvignon, 21% Cabernet Franc, 18% Petit Verdot
Wine of Origin Stellenbosch

Winemaker Frans Smit

A distinctive blend of Cabernet Sauvignon and Cabernet Franc, all planted in 2003 at altitudes between 200 and 240 metres on a north-west facing slope. The Helderberg vineyard, located just 8km from the sea, enjoys ocean views. Select parcels of Cabernet Sauvignon were re-trellised at age 12 to ensure more even ripening.

Tasting Notes: Rich and complex, this wine offers a seamless, velvety texture with layered aromas of red currant and cacao. Its inky density - reflective of a high percentage of Petit Verdot - marks it as a wine destined for greatness.

Ready for drinking now until 2035.

Neil Ellis Wines

Amper Bo Tempranillo 2021

100% Tempranillo
Wine of Origin Bottelary, Stellenbosch

Winemaker **Warren Ellis**

Only the third vintage to be offered on the Cape Winemakers Guild Auction, this wine follows the pioneering 2015 Amper Bo Tempranillo - the first 100% Tempranillo ever presented. While Tempranillo is classically medium-bodied, its remarkable tannin structure provides exceptional ageing potential, making it a rare and compelling addition to the Guild's offering.

Tasting Notes: A subtle nose reflecting dark and red cherries, violets, dried herbs and wet tobacco leading into a leathery finish. The palate is dense and complex with fine-grained tannins, packed with dark berries and plum, which unfolds with great length.

Ready to drink now until 2035.

Bartho Eksteen Wine Estate

Fluister Landgoed Pinot Noir 2023

100% Pinot noir
Wine of Origin Hemel-en-Aarde Valley

Winemaker **Bartho Eksteen**

One of only four Pinot Noir producers in the Hemel-en-Aarde Valley, and the most maritime site - closest to the ocean and lowest in altitude. Dry land vines trained to guyot on clay-rich soils, planted at Burgundian density (8333 vines/ha) which plays a role in drawing the best from the terroir-plant combination. Naturally made with minimal intervention. Jancis Robinson rated it joint second-best in the valley. A quiet force from the edge of the Cape.

Tasting Notes: Roses, fresh cherry, subtle spice and earth. Pure and graceful with gentle tannins and a quiet flow. A Pinot that whispers with texture, restraint and quiet confidence.

If you can put away some bottles for a couple of years, you can delay the pleasure and have it back with interest for anything up to 15 years after harvest.

Beeslaar Wines

CWG Pinotage 2023

100% Pinotage
Wine of Origin Stellenbosch

Winemaker **Abrie Beeslaar**

This marks the debut vintage of this wine and its first appearance on the CWG Auction. Sourced from old, low-yielding bush vines, it is crafted with traditional open-top fermenters and manual punch-downs to preserve purity and structure. The wine showcases a bold yet refined expression of Pinotage, rooted in heritage and crafted with intention.

Tasting Notes: A full-bodied Pinotage that delivers both texture and elegance. Aromas of cassis and black cherries rise from the glass, framed by subtle oak spice. The palate reveals layers of dark chocolate and Asian spice, finishing savoury and persistent.

David & Nadia

Veiling Chenin blanc 2024

100% Chenin blanc
Wine of Origin Swartland

Winemaker **David Sadie**

Our Veiling Chenin blanc bottling is a blend of two Paardeberg dry-land farmed vineyards, both Old Vine Project certified Single Vineyards and bush vines planted in 1981 and 1985 respectively. These vineyards are farmed without any tilling of the soils, planted with cover crops for the winter and mulched as well as composted yearly. During vintage, we harvest more than once from the same vineyard to create various components. Grapes were hand-harvested and chilled in a cooling room overnight before being hand-sorted and whole bunch pressed. Naturally fermented and matured in older 300 litre French oak barrels for 11 months before being blended for bottling.

Tasting Notes: Focused on tension, length and salinity.

Ready for drinking in 5 to 10 years and will age 10 to 15+ years.

Mullineux

'The Gris' Old Vine Sémillon 2024

100% Sémillon Gris
Wine of Origin Swartland

Winemaker **Andrea Mullineux**

An extremely rare variety, Sémillon Gris is a uniquely South African phenomenon. In the mid-1800s, it accounted for nearly 40% of all vineyards in the country. This wine originates from a heritage vineyard planted in 1960 on the granite slopes of the Paardeberg. Cuttings from this site were carefully propagated over a decade, culminating in the replanting of South Africa's first officially recognised Sémillon Gris at our regeneratively farmed, certified organic Roundstone estate.

Tasting Notes: 65 years ago, Chubby Checker popularised The Twist, the first Weather Satellite was launched, Bono was born, the laser was invented, JFK was elected US president, a loaf of bread cost 9 cents, and this vineyard was planted on the Granite slopes of the Paardeberg. This exquisite, fresh and textured representation of Sémillon Gris was fermented using only indigenous yeast which further represents its terroir.

It is a luxury to grow old and this wine links the past with the future, so when you do enjoy it, please play "Stay" by Maurice Williams, written in 1960

Thorne & Daughters

Sand Castles 2024

69% Sémillon, 31% Sauvignon Blanc
Wine of Origin Olifantsrivier and Swartland

Winemaker **John Seccombe**

This wine is John's first CWG Auction wine. The wine marries John's fascination with classic, Old-World wines and the wildness of our dryland Paardeberg Sémillon and Skurfberg Sauvignon Blanc vineyards in the Western Cape. The 2024 vintage gave us the ripeness and concentration we could use as a backbone for this elegant and intricate wine. Meticulous and minimalist winemaking allowed for complexity and age-worthiness over stark, primary fruit.

Tasting Notes: Notes of ripe yellow fruit, struck match, oak spice and saline elements on the nose. The wine is dense, voluminous and layered on the palate without carrying unnecessary weight.

Ready for drinking from 2026 – 2036.

Wine of Origin Swartland

Winemaker **Donovan Rall**

Crafted from the finest section of my top vineyard - an exceptionally low-yielding site producing just 1 ton per hectare. Planted on schist soils with the highest concentration of quartz, this parcel delivers remarkable natural extract at low potential alcohol. No new oak was used, allowing the purity of site and structure to shine through.

Tasting Notes: Concentrated black and purple fruits are layered with notes of fynbos and black tea. The palate is dense and firmly structured, promising graceful evolution over decades.

Ready to drink 2030 to 2040.

Kershaw Wines

Ziggurat Chardonnay 2024

100% Chardonnay
Wine of Origin Hemel-en-Aarde Ridge

Winemaker **Richard Kershaw MW**

The grapes are sourced from a block in the Hemel-en-Aarde Ridge. Made only from clone CY548, typical for giving stony, meaty and robust flavours. Hand-picked and whole bunch pressed, the wine undergoes a wild ferment, 12 months in Burgundy-coopered barrels and is assessed every eight weeks. Its low sulphites allow it to be designated a natural wine, yet it has the extract and low pH to age over the medium term.

Tasting Notes: Lucerne flowers, satsuma and citrus on the nose. Flinty, poised palate with lemon, orange, spice and peat over lemon curd. Elegant, vivid and chalky, with a long, tingling finish.

Jordan Wine Estate

CWG Chardonnay 2024

100% Chardonnay
Wine of Origin Stellenbosch

Winemaker **Gary Jordan**

This benchmark Chardonnay from the oldest vineyards on Jordan Wine Estate is traditionally made according to classic Burgundian winemaking techniques. Intensely concentrated lemon-lime flavours and slow fermentation in 228 litre French oak barrels for 12 months have resulted in a reserve style wine with a new world twist. Quartzite veins through the 600 million-year-old granite substrata provide the backbone for the classic mineral flavours.

Newton Johnson Family Vineyards

Windansea Pinot Noir 2023

100% Pinot Noir

Wine of Origin Upper Hemel-en-Aarde Valley

Winemaker **Gordon Newton Johnson**

Windansea is one of Newton Johnson's most expressive single-vineyard sites, renowned for its generosity and layered texture. Named for its sweeping ocean views and exposure to coastal winds, this cuvée is harvested separately from the stony eastern section of the vineyard. The wine reflects the influence of heavier granitic clay soils on the estate's highest slopes. Crafted naturally, with no additions of sulphur until after malolactic fermentation, and no yeast, fining, or filtration.

Tasting Notes: Succulent blackberry and rich red currant aromas are layered with notes of fennel, warm spice, and freshly turned earth. The palate is generous yet composed, supported by a seamless tannin structure and a persistent, chalky finish.

Ready to drink in 5 to 10 years.

Lot 601: Adi Badenhorst - AA Badenhorst Family Wines

The Badenhorst Saldanha Wine & Spirit Co. Fortified Selection

A tribute to the timeless art of fortified winemaking, this six-bottle selection from The Saldanha Wine & Spirit Co. reimagines classic styles with a distinctly South African character. Founded in 2023 by the renowned Badenhorst family of the Swartland, the company is dedicated to reviving and celebrating the country's rich—yet often overlooked—tradition of fortified and sweet wines.

Crafted in small, once-off releases, these bottlings are an exploration of flavour, heritage, and the magic of maturation. This is wine made with both reverence and joy—for those who appreciate complexity, nostalgia, and a touch of coastal soul.

Amontillado NV (375ml)

A dry, layered expression made from Palomino and Verdelho. Aged 18 months under flor and then a further 10 years oxidatively, this wine offers nutty, savoury complexity and a firm 17% ABV.

Extra Dry Fino Style Sherry (500ml)

A bright, saline blend of Chenin Blanc and Sauvignon Blanc aged for four years under flor. Crisp, refreshing, and evocative of sea breezes and West Coast sands.

Medium Cream NV (500ml)

Comfort in a glass—smooth, gently sweet, with notes of caramel, roasted nuts, and dried fruit. Balanced by fresh acidity. A nostalgic nod to your 'ouma's' favourite tippie.

Oloroso NV (500ml)

Profoundly dry and aromatic. After 14 years in cask, this wine reveals deep layers of roasted nuts, old leather, and warm spice, culminating in a lingering, elegant finish.

Hanepoot 2014 (500ml)

A fortified Muscat that sings of South African sunshine. Lush, perfumed, and bursting with ripe grape and floral intensity.

Cape Vintage 2018 (500ml)

A classic LBV-style port with bold dark fruit, spice, and structured tannins. Built to age gracefully or enjoy now for its richness and depth.

Lot 602: Kevin Grant – Ataraxia

An Ataraxia Journey - Under the Gavel Chardonnay Vertical comprising 1 bottle of each of the following vintages: 2020, 2021, 2022

This elegant vertical collection from Ataraxia Wines invites bidders on a refined exploration of terroir, time, and craftsmanship through three consecutive vintages of Kevin Grant's masterfully made Chardonnay.

Each vintage in this three-bottle set (3 x 750ml) reflects the nuanced evolution of a signature style that has positioned Ataraxia among the Cape's most revered Chardonnay producers:

2020 – A beautifully poised vintage, offering citrus blossom, lemon curd, and subtle oak spice, with vibrant acidity and a mineral-laced finish.

2021 – A cooler growing season lends tension and restraint. This wine is tightly wound, with notes of green apple, wet stone, and a flinty elegance that promises long-term ageing potential.

2022 – The youngest of the trio shows generosity and texture, with ripe stone fruit, chamomile, and a polished, creamy palate balanced by signature freshness.

All three wines are barrel-fermented and matured in carefully selected French oak, reflecting Ataraxia's unwavering commitment to site expression and finesse.

This vertical offers collectors a rare opportunity to experience the progression of a Hemel-en-Aarde Chardonnay across three vintages—each a distinct chapter in a story of precision and place.

Lot 605: Abrie Beeslaar – Beeslaar Wines

3 x 1.5 litre bottles of Beeslaar Pinotage 2022

The Beeslaar Pinotage is the foundation of our brand and was the first wine in our stall. The beauty of this bush vine vineyard planted on shale soils persuaded me to show a more delicate side of this variety.

The grapes are fermented in open-top fermenters and punched down every two hours for three days. After fermentation, it spends 20 months in 50% new French oak.

The wine has a deep ruby red colour and beautiful red fruit and cake spice on the nose. It has a layered, complex structure with a dry, mouth-watering finish. Pinotage has been a passion of mine, because it has long been a misunderstood variety. We have just started to scratch the surface of what this variety can offer.

Lot 606: Reenen Borman - Boschkloof

6 x 750ml bottles of Boschkloof CWG Epilogue 2016

The Epilogue is Boschkloof's flagship Syrah, crafted to reflect the purest expression of this noble cultivar on our granite-rich soils. It represents a focused exploration of site, precision, and restrained power.

This special CWG bottling from the 2016 vintage marks a pivotal point in our winemaking journey, when we began refining our approach to better align with the style we believe best reflects the soul of Boschkloof and our unique terroir.

Elegant yet structured, this wine captures both place and philosophy—a collectible piece of our evolving legacy.

Presented in a wooden box, this offering is a meaningful expression of our history, and we hope it brings you as much joy as it brought us in its making.

Lot 607: David Nieuwoudt - Cederberg

6 x 750ml bottles of Cederberg CWG Teen Die Hoog Shiraz, comprising 3 bottles 2019 and 3 bottles 2020

This six-bottle vertical selection showcases three bottles each of the CWG Teen Die Hoog Shiraz from the 2019 and 2020 Cape Winemakers Guild vintages, crafted by David Nieuwoudt.

Sourced from one of the highest-altitude vineyards in the country, Teen Die Hoog (“Against the Heights”) is a bold expression of mountain-grown Shiraz. Extreme diurnal shifts, red shale, and pure air at over 1 000 metres above sea level result in wines of remarkable clarity, structure, and poise.

The 2019 presents lifted aromatics of violets, red berries, and white pepper, underpinned by bright acidity and fine, chalky tannins. A cooler vintage, it offers elegance and tension with excellent ageing potential.

The 2020 brings more concentration and depth, with darker fruit, savoury spice, and a fuller mid-palate, while retaining the hallmark freshness and mineral drive of this site.

Crafted exclusively for the CWG Auction, these small-lot wines are matured in seasoned French oak to preserve vineyard character and natural intensity. David Nieuwoudt’s steady hand and deep understanding of extreme terroir shine through in both vintages.

Grenache noir 2021 (1.5L)

A benchmark for Cape Grenache, this wine is sourced from dryland bush vines rooted in mainly granitic soils. The 2021 vintage is bright and perfumed, offering red cherry, wild herbs, and crushed spice. Whole-bunch fermentation and gentle extraction yield a textured, elegant wine with fine tannins and a long, savoury finish

Chenin blanc 2021 (1.5L)

Crafted from old, low-yielding bush vines across multiple Swartland parcels, this Chenin blanc is a layered, mineral-driven expression of place. The 2021 vintage is taut and focused, showing green apple, stone fruit, citrus peel, and a saline edge, balanced by vibrant acidity and subtle oak integration.

These magnums are not only rare in format but represent the essence of David & Nadia's approach: wines of restraint, detail, and longevity, made with minimal intervention and maximum respect for terroir.

Ideal for cellaring or sharing at the table, this magnum duo is a collector's gem from one of South Africa's most thoughtful and terroir-focused producers.

The 2020 vintage of this Shiraz is crafted using a punch-down method, allowing for rich extraction and structure. The wine is matured for 12 months in seasoned oak, enhancing its complexity while preserving the unique characteristics of its terroir.

The Elim Shiraz showcases peppery, fynbos aromatics—a hallmark of the region—and boasts a refined modern style with a vibrant structure that promises longevity.

Lot 613: Dewaldt Heyns - Dewaldt Heyns Family Wines

6 x 750ml bottles of Dewaldt Heyns Family Wines CWG Shiraz Reserve 2021

The CWG Shiraz Reserve 2021 is a truly special wine, marking the end of an era. Sourced from an ultra-low-yielding dryland vineyard in the Swartland, this vintage is the final harvest from this vineyard, cultivated on deep, red clay-rich soils. Dewaldt Heyns, who has worked with this vineyard for 16 years, approaches this vintage with a deep sense of emotion, as the land, once a wheat field, was repurposed as one again after this final harvest.

Vinified using traditional methods and matured for 20 months in French oak, this wine embodies the culmination of years of dedicated craftsmanship. The result is a wine of remarkable complexity and character. Dark fruit aromas take centre stage, with delicate undertones of red cherry, violet, and a subtle hint of dried herbs. The full-bodied texture is balanced by firm yet approachable tannins, which lead to a long, satisfying finish.

This wine invites you to share in a bittersweet moment of reflection with the Heyns family. It promises to evolve beautifully over the years, rewarding those who are fortunate enough to experience it.

and a vertical tasting for 6 guests in the barrel cellar**

Hamilton Russell Vineyards pioneered viticulture and winemaking in the beautiful, cool, maritime, Hemel-en-Aarde Valley appellation, just behind the old fishing village of Hermanus. The Estate specialises in producing highly individual, terroir driven Pinot noir and Chardonnay, which are widely regarded as among the finest in the New World.

The vines grow in ancient Bokkeveld Shale-derived, stoney, clay-rich soils, giving naturally low yields and small berries. The team is dedicated to expressing the personality of these vines and the unique characters of each new vintage, by producing a single estate grown Pinot noir and single estate grown Chardonnay.

The lot includes a signed, limited release magnum of Pinot noir 2023 (the estate's 43rd vintage) in a beautiful wooden case together with a private tasting by winemaker Emul Ross in the Hamilton Russell Vineyards barrel maturation cellar.

This wine is packed in a wooden box.

Lot 619: Gary Jordan - Jordan Wine Estate

6 x 750ml bottles of the Jordan 2011 CWG Sophia

This exclusive lot features six bottles of the Jordan CWG Sophia 2011, a Bordeaux-style blend crafted by Gary Jordan for the 2014 Cape Winemakers Guild Auction. Now beautifully matured, this wine marks the 11th vintage of the iconic Sophia—named after the legendary mother of Faith, Hope, and Charity, and symbolising the harmony of its three noble components: 48% Cabernet Sauvignon, 30% Merlot, and 22% Cabernet Franc.

Elegantly evolved and entering its prime drinking window, the 2011 Sophia offers an intricate bouquet of dark chocolate, black cherry, cassis, and blackberry fruit, layered with vanilla and spice from finely integrated French oak. With over a decade of bottle age, the wine has developed complex tertiary notes of leather, dried fruit, and silky, well-resolved tannins.

This is a rare opportunity to acquire a library vintage of one of South Africa's most refined and age-worthy CWG red blends—perfect for collectors and Bordeaux-style aficionados alike. While drinking beautifully now, it will continue to reward careful cellaring for several years to come.

Lot 620: Alex Starey - Keermont Vineyards

A 1.5 litre bottle of Keermont Vineyards Amphitheatre 2017

This large-format magnum of Keermont Amphitheatre 2017 marks the third release of this flagship red blend, a wine that reflects both the dramatic topography of the farm and the ongoing evolution of winemaker Alex Starey's style. Named after the natural amphitheatre formed by the towering peaks surrounding the estate, this wine captures the rugged beauty and complexity of its origins.

Following the benchmark 2015 vintage and the more challenging 2016, the 2017 Amphitheatre stands out for its refined structure, rich savoury fruit, and precise balance. Expect layered notes of dark berries, spice, and hints of baked pudding, supported by firm yet elegant tannins—hallmarks of a wine built to reward extended cellaring.

This magnum is not only a statement piece for any collector's cellar but also a testament to the excellence of Stellenbosch mountain-grown reds. The label is a bespoke creation by local artist Rentia Retief, adding a unique artistic touch to this special bottling.

Lot 621: Richard Kershaw - Kershaw Wines

2 x 3 litre Kershaw Single Vineyard Deconstructed Wines, one bottle of each: 2018 Lake District Cartref SH22 Syrah and 2019 Lake District Bokkeveld Shale CY96 Chardonnay

The inspiration for the Deconstructed wines stems from Richard's belief that the Elgin region boasts credentials that make it world-class. To bolster these credentials, he set out to prove that Elgin has both signature grapes and specific 'terroirs'/meso-climates that reflect intra-regional distinctions. To fully comprehend this, digging deeper into the DNA that makes up the Elgin region is necessary. These wines are made in small volumes, exclusively selected from a specific vineyard and an individual clone. Importantly, this is an ongoing story that will unfold over the coming years.

Sourced from a single parcel in the western part of Elgin, the SH22 clone produces fuller, well-coloured, yet finely structured Syrahs. They tend to be more concentrated as yields are low, with more black fruit, black pepper and meaty notes. The Cartref soils, a mixture of decomposed granite, pebbles and quartz, add gracefulness and heighten the fruit intensity.

Sourced from the western part of Elgin, known as the "Lake District", clone CY96 (currently Richard's favourite Chardonnay clone) produces wines that are nervous, aromatic, elegant, finely balanced and crisp with slightly lower alcohol, the fruit profile being subtle with hints of citrus/orange peel and peach blossom and with time, some nutty elements. The Bokkeveld Shale brings amplified perfume to the nose and persistence and elegance to the palate. For the 2019 vintage, this wine has a light yellow-platinum colour. A beguiling perfume of white gardenia, jasmine and sweet pea flowers with a salt - like smelling seashell – character. There is a tremendous line and length on the mid-palate with a striking acidic tension, quick and focussed. Sweet lemon, soft oatmeal, jasmine, pastry flakes and lemon cream as one caress and brush the palate to make for a delicate, cleansing palate that seems to go on for an age – little by little revealing nuances of mineral oak spices and cayenne.

These wines are packed in wooden boxes.

Lot 622: Christo le Riche – Le Riche

6 x 750ml bottles, comprising one bottle each of the following vintages of Le Riche Reserve Cabernet Sauvignon, 2015, 2017, 2018, 2019, 2020, 2021

Le Riche and Stellenbosch Cabernet Sauvignon have become synonymous over the last several decades, but our most recent releases have raised the bar of what we believe is possible in our region.

The Reserve Cabernet Sauvignon encapsulates the diverse terroirs Stellenbosch has to offer, drawing from vineyards with altitude and views, to sea-breezes and ancient soils. In the cellar we keep things simple. Traditional open top fermenters, long slow ageing in barrel and minimal interference ensure that the vineyard and vintage can speak through the wine.

These six wines have achieved worldwide acclaim, but the true pleasure they bring is to enjoy the nuance and variation between every vintage. Included are two Platter Wines of the Year, Tim Atkin ratings from 94 to 99, two Global fine wine challenge winners, five Platter 5 stars and one Robert Parker 98 pointer.

These wines are packed in 2 wooden boxes – 3 bottles per box.

Lot 623: Samantha O'Keefe - Lismore Estate Vineyards

Sourced from iron-rich soils in the cool-climate region of Elgin, this 100% Syrah was whole-bunch fermented and aged in 25% new French oak. It is a wine of poise and power, with vivid notes of cassis, blackberry and cherry interwoven with white pepper, dried herbs, and a captivating floral perfume of crushed violets. Structured yet elegant, with refreshing acidity and excellent cellaring potential until 2034.

Lismore Valkyrie Chardonnay 2021

Dryland-farmed on shale soils, this 100% Chardonnay expresses intense citrus and stone fruit, elevated by layers of jasmine, walnut, honey and vanilla. Barrel fermented and matured in 500 litre French oak (30% new), the wine delivers a striking balance between richness and mineral precision, with a lingering, citrus-driven finish. Best enjoyed now through 2032.

A collector's gem, this wooden-boxed set offers a rare chance to experience the precision and depth of two iconic CWG Auction releases from a visionary producer.

Lot 626: Andrea Mullineux - Mullineux

Single Terroir Magnum Collection (4 x 1.5 litre Magnums)

GRANITE Syrah 2020 | SCHIST Syrah 2020 | GRANITE Chenin Blanc 2020 | SCHIST Chenin Blanc 2020

This special collection of four rare and highly rated Mullineux magnums offers a unique opportunity to explore their cornerstone varieties being Syrah and Chenin Blanc through their defining Swartland soils - GRANITE and SCHIST.

Mullineux GRANITE 2020 (1.5L)

Elegant, lifted, and perfumed, this Syrah is all about finesse. Grown on the decomposed granite slopes of the Paardeberg, it is linear and focused, with delicate red fruit and a fine mineral thread. Platter's 5-star and 97/100 pts.

Mullineux SCHIST Syrah 2020 (1.5L)

From the rocky soils of the Kasteelberg, this is the more brooding sibling – structured, spiced, and full of energy. Its dark fruit core and graphite edge are a pure expression of Swartland schist. Platter's 5-star and 98/100 pts.

Mullineux GRANITE Chenin Blanc 2020 (1.5L)

From dry-farmed bush vines planted in the early 1970s, this Chenin is taut and crystalline. Its quiet power and saline finish speak clearly of granite's influence—refined, textured, and age-worthy. Platter's 5-star and 97/100 pts.

Mullineux SCHIST Chenin Blanc 2020 (1.5L)

A deeper, more honeyed expression of Chenin. This wine brings layers of stone fruit, herbs, and savoury spice, grounded by the intensity and warmth of schist soils. 95+/100 pts.

Each wine was made with low intervention, wild fermentation, and gentle ageing—crafted to reflect the soils beneath the vines and the Swartland's untamed beauty. These large formats are ideal for ageing and sharing, and each bottle is a personal expression of site, soil, and soul.

Lot 627: Warren Ellis - Neil Ellis Wines

A 3 litre bottle of Neil Ellis Wines Tempranillo 2017

This rare 3-litre format of Tempranillo 2017 is a heartfelt tribute to both place and partnership. The grapes hail from a special site on a farm called Amper Bo—a name that translates to “Almost at the Top,” symbolising the ongoing journey of excellence in viticulture and winemaking.

Crafted from this distinctive vineyard, the wine reflects both the rugged charm of the site and the commitment of the grower. Tempranillo, rarely seen in the Cape, finds a unique and expressive voice here. The 2017 vintage showcases vibrant red cherry and savoury spice, supported by supple tannins and a graceful, lingering finish. Aged in seasoned oak, the wine balances Old World restraint with New World purity.

This large-format bottle not only allows for extended ageing but also invites celebration—of craft, of community, and of reaching ever closer to the summit.

This wine is packed in a wooden box.

Family Vineyards Pinot Noir 2020

Crafted from the estate's most refined mid-slope vineyards, this wine is a true reflection of site and soil. With variations in gravel and clay across the slope, the vineyards yield fruit with both dark intensity and red-fruited opulence. The result is a delicately structured, yet persistent Pinot Noir with seductive aromatics, nuanced minerality, and a firm backbone—capturing the full spectrum of the farm's terroir.

Family Vineyards Chardonnay 2018

Sourced from three distinct vineyard blocks on granitic slopes, this Chardonnay combines elegance with precision. South-facing vines bring tension and bright acidity, while the north-facing sites offer depth and texture. The quartz-rich soils with underlying clay foster a crystalline purity and complexity. Naturally vinified, the wine delivers layered citrus and mineral tones with exceptional clarity and length.

Mvemve Raats was founded on friendship and the quest for creating excellence through wine. It released its maiden vintage 2004 in 2006 guided by an ambitious philosophy of achieving the best final quality blend through ruthless vineyard and barrel selection and an overriding obsession with consistency of quality.

All five Bordeaux varieties are tasted and evaluated in a rigorous blind scoring process selected from the best barrels to create the final blend. The variety scoring the highest becomes the leading component of that vintage. What developed was a wine not driven by a style or variety but by what was best from that vintage. A wine driven by uncompromising quality.

The 2021 vintage is revered as one of the best vintages to date receiving many accolades from wine critics around the world, showing astounding complexity, depth and ageability.

On the nose, delicate aromas of pear, peach, citrus, fynbos, and a subtle touch of reduction greet the senses, while the palate is lean and taut, offering purity and precision. Lot 642: Protégé Collection – Karabelo Masoleng

6 x 750ml bottles of Serendipity Pinot Noir 2024

100% Pinot Noir

This wine was made by Karabelo under the mentorship of Charles Hopkins whilst she was at De Grendel Wine Estate during her second year as a Protégé.

The grapes were harvested early from the cool Ceres Plateau, then fermented in open barrels with gentle punchdowns and also in a rotating Tremeaux Legaré long barrel to encourage elegant extraction. After a natural malolactic fermentation, I matured the wine for eight months in a mix of new and seasoned French oak.

Bright garnet in colour, Serendipity shows beautiful aromas of ripe cranberry, violet, and a gentle hint of spice. On the palate, it is elegant and textured, with layers of red plum, earthiness, and a whisper of oak. Its freshness and purity reflect its cool, high-altitude origins, resulting in a poised, nuanced Pinot Noir.

The name Serendipity holds a very special meaning for me. I made a big leap from a career in modelling to winemaking — an unexpected shift where passion and purpose perfectly aligned. This wine is my way of celebrating those surprising moments in life that guide us towards what we're truly meant to do. It's a tribute to dreams, storytelling, and the courage to follow your heart. Serendipity invites you to embrace possibility and raise a glass to the joy of becoming.

Lot 643: Protégé Collection – Lindelwa Panaso Msomi

6 x 750ml bottles of iNtombenhle Pinotage 2024

100% Pinotage

This wine was made by Panaso under the mentorship of JD Pretorius whilst she was at Warwick Wine Estate during her second year as a Protégé.

Fermentation took place in a bin liner with gentle daily pump overs and precise temperature control to ensure a soft, elegant extraction. After pressing, the wine finished fermentation in barrel and then matured for 12 months before bottling and further ageing.

This dry, medium-bodied Pinotage has vibrant aromas of cherry, raspberry, and rosewood, complemented by subtle vanilla notes. The palate is fresh and juicy, with red berry flavours uplifted by a touch of grapefruit for brightness. A hint of blackberry lingers softly in the background, while smooth tannins lead to a clean, approachable finish.

The name iNtombenhle comes from the isiZulu word meaning “Beautiful girl.” My goal was to create a feminine, elegant, silky, and light wine — qualities I focused on throughout every step of production. Inspired by my mother’s nurturing resilience, this wine honours family, identity, and South Africa’s innovative spirit embodied in Pinotage’s heritage. iNtombenhle invites anyone to explore wine with joy and openness rather than intimidation, making it perfect for both newcomers and seasoned drinkers.

Lot 644: Protégé Collection – Tholakele Tania Bekwayo

6 x 750ml bottles of Tamara Blanc de blancs Brut Nature 2024

75% Chardonnay, 25% Alvarinho

The grapes were handpicked and whole-bunch pressed. The Alvarinho underwent primary fermentation in a Nomblot egg, while the Chardonnay was vinified in Clayver, Foudre, and 225 litre barrels. I blended the base wines, bottled them unfiltered for secondary fermentation, and matured them on lees for 12 months before disgorging without dosage.

Vibrant and lively, this Cap Classique shows citrus and green apple aromas with layers of white peach, pineapple, and delicate white flowers. Notes of mint and eucalyptus add a cool herbal complexity, while fine bubbles and crisp acidity provide an elegant, energetic palate.

This wine is my Tribute Passion Project — a heartfelt expression of deep passion, opportunity, and the transformative power of mentorship. Named in honour of my first mentor, a devoted primary school teacher who nurtured my early potential, it celebrates all mentors who ignite excellence within us. As you savour each sip, may it stir your soul and remind you of the profound, lasting impact of guidance. Such bid shall only be executed when the auctioneer opens the bidding in respect of a lot. The bidder shall be entitled to execute the bid (or additional bids) in respect of a lot that is sold by way of a live auction until the moment prior to the auctioneer closing the bidding in respect of such lot.
- 2.2.2** Any dispute of whatever nature about any bid or about the identity of the buyer (including, without limitation, any dispute about the validity of any bid, or whether a bid has been made, or any dispute between two or more bidders or between the auctioneer and one or more bidders), in the case of a live auction, shall be determined at the auctioneer's absolute discretion.
- 2.2.3** Persons wishing to bid by telephone during the course of a live auction must make proper arrangements with Strauss & Co in connection with such bids at least 24 hours (or such other period as Strauss & Co may allow in its sole discretion) before the commencement of the auction ('live telephone bids'). The bidder agrees that Strauss & Co will not be responsible for losses arising from live telephone bids that are not executed and/or incorrectly recorded. Live telephone bids may be recorded and all bidders consent to such recording (if any).
- 2.2.4** The parties acknowledge that, should identical bids be executed in respect of the same lot at any auction, Strauss & Co or the auctioneer will give precedence to the bid first executed in time.
- 2.2.5** The contract between the buyer and the seller of any lot shall be deemed to be concluded on the striking of the auctioneer's gavel at the hammer price finally accepted by the auctioneer (which also usually includes the auctioneer noting the paddle number of the buyer in the case of a live auction) and after determination of any dispute that may exist. Where a lot remains unsold (usually where the auctioneer's gavel is struck without a hammer price and without noting a paddle number, or where the auctioneer's gavel is struck followed by the word "pass"), no such contract between a buyer and the seller is concluded. Strauss & Co is not a party to the contract of sale and shall not be liable for any breach of that contract by either the seller or the buyer.
- 2.2.6** Strauss & Co will accept:
- 2.2.6.1** bids executed by bidders in person in the auction room (except in the case of an online auction);

- 2.2.6.2 live telephone bids (except in the case of an online auction);
 - 2.2.6.3 commission bids; and/or
 - 2.2.6.4 bids placed and executed via the online auction portal as contemplated in clause 2.2.1 above.
- 2.3 Commission bids
- 2.3.1 Strauss & Co may, from time to time, agree to execute bids on behalf of a bidder ('commission bids'). A bidder can instruct Strauss & Co in respect of a commission bid as follows:
 - 2.3.1.1 by telephone;
 - 2.3.1.2 by way of the website and/or online auction portal; or
 - 2.3.1.3 by way of written instruction.
 - 2.3.2 When instructing Strauss & Co on a commission bid, the bidder shall be required to state the maximum amount which the bidder is willing to bid on a particular lot ('maximum bid'). The maximum bid is exclusive of and any other costs for which the buyer is or will become liable as provided for in these conditions of business.
 - 2.3.3 In the event that the bidder requires Strauss & Co to execute a commission bid on more than one lot at an auction, the bidder shall be required to provide Strauss & Co with a separate commission bid in respect of each such lot.
 - 2.3.4 The parties agree that all commission bids are placed at the bidder's sole risk and that Strauss & Co shall not be liable for any losses incurred by the bidder, the buyer or the seller, as the case may be, irrespective of whether such loss occurred due to any human error on the part of the auctioneer, Strauss & Co or any of its employees or agents. For example, the bidder agrees that Strauss & Co shall not be liable for any loss incurred by the bidder as a result of any error in relation to the maximum bid and/or the lot in respect of which a commission bid is to be exercised.
 - 2.3.5 It is the responsibility of all prospective bidders to ensure that all commission bids are received by Strauss & Co by no later than 24 hours (or such other period as Strauss & Co may allow in its sole discretion) prior to the commencement of an action.
 - 2.3.6 Subject to clause 2.3.7, it is recorded that the bidder shall only be entitled to increase or decrease the maximum bid:
 - 2.3.6.1 in the case of a live auction, up to 2 hours before a live auction is scheduled to commence; or
 - 2.3.6.2 in the case of an online auction, up to 2 hours before an online auction is scheduled to close.
 - 2.3.7 Notwithstanding clause 2.3.6, the bidder shall not be entitled to decrease the maximum bid after the maximum bid has been executed by Strauss & Co on behalf of the bidder.
 - 2.3.8 Strauss & Co may, in its sole discretion, request a bidder who placed a commission bid via telephone, to confirm such bid in writing before the commencement of an auction, failing which Strauss & Co shall be under no obligation to execute such bid received by telephone.
- 2.3.9 In the event that Strauss & Co receives identical commission bids in respect of the same lot, which commission bids have the same maximum amount, the commission bid received first in time will take precedence over the other commission bids, however, such bids, which are referred to as 'push bids' will still be recorded in the bidding history of a lot.
- 2.3.10 Nothing in these general conditions of business shall prevent a bidder whose bid is considered to be a push bid, to increase the maximum amount of his/her commission bid, provided that such maximum amount is increased within the timeframe contemplated in clause 2.3.6.
- 2.4 Connectivity and technical issues
- 2.4.1 The parties agree that broadband and other internet capacity issues, firewalls and other technical related problems are beyond the reasonable control of Strauss & Co and may result in, inter alia, some bids not being received on time or not being executed at all.
 - 2.4.2 The parties further agree that any bidder who makes use of the online auction portal or any other platform that requires a broadband or other internet connection to place a bid or a commission bid, does so at his/her own risk and that Strauss & Co shall not be liable to the bidder for any loss which the bidder may incur as a result of any broadband and other internet capacity, firewalls and/or technical related issues. The user acknowledges that the website may be subject to malfunctions and delays inherent in the use of the internet and electronic communications. Strauss & Co HEREBY DISCLAIMS ANY LIABILITY FOR ANY DELAY IN, THE UNAVAILABILITY OR INACCESSIBILITY OF THE WEBSITE.
- 2.5 Examination of lots
- 2.5.1 It is the responsibility of all prospective bidders to examine and satisfy themselves as to the condition of each lot prior to the auction, and that the lot matches any oral or written description provided by Strauss & Co. All illustrations of a lot in any catalogue or condition report are intended merely as guidance for bidders and do not provide definitive information as to colours, patterns, condition or damage to any lot (including, without limitation, any picture frame). Strauss & Co does not guarantee the working order of electrical and/or mechanical fittings, clocks and watches and cannot be held responsible for any losses incurred by a buyer as a result of any defects in the working order of electrical and/or mechanical fittings, clocks and watches.
 - 2.5.2 Strauss & Co shall not be liable for any error, misstatement or omission in the description and/or condition of a lot (whether in any catalogue, condition report or otherwise), unless Strauss & Co, its employees or agents, are engaged in intentional misleading or deceptive conduct.
 - 2.5.3 In bidding for any lot, all bidders confirm that they have not been induced to make any bid or offer by any representation made by the seller or Strauss & Co.
 - 2.5.4 Certain words used in the catalogues prepared by Strauss & Co to describe a lot have special meanings. The meaning of such words are set out in out in Annexure A below.

2.6 Exclusions and limitations of liability to buyers; passing of risk

- 2.6.1** If a lot sold to a buyer proves to be a forgery (which will only be the case if an expert appointed by Strauss & Co for such purpose confirms same in writing), the buyer may (as his sole remedy hereunder or at law) return the lot to Strauss & Co in the same condition it was as at the date of sale, together with a written statement by the buyer detailing the defects to the lot (if any), the date of the sale and the number of the lot, provided that such lot is returned by the buyer within 12 months of the date of sale. Should Strauss & Co be satisfied in its absolute discretion that the lot is a forgery, that the lot is in the same condition it was as at the date of sale and that the buyer is capable of transferring good and marketable title to the lot to a third party purchaser thereof, free from any encumbrances and other third party claims, the sale of that lot shall be set aside and the purchase price of that lot, shall be refunded to the buyer, provided that Strauss & Co has not yet paid the sale proceeds to the seller. In the event that a lot sold to a buyer proves to be a forgery as contemplated above, and Strauss & Co has already paid the sale proceeds to the seller, the seller shall be liable to refund the purchase price, to the purchaser. Without limiting the generality of the provisions of this clause 2.6, it is specifically recorded that the buyer shall have no claims against Strauss & Co, whether under these general conditions of business, at law or otherwise.
- 2.6.2** The rights afforded to the buyer in terms of this clause 2.6 may not be transferred or ceded to a third party and shall always rest exclusively with the buyer.
- 2.6.3** Neither Strauss & Co nor the seller:
- 2.6.3.1** shall be liable for any omissions, errors or misrepresentations in any information (whether written or otherwise and whether provided in a catalogue or otherwise) provided to bidders and buyers, or for any acts or omissions in connection with the conduct of any auction or for any matter relating to the sale of any lot, including when caused by the negligence of the seller, Strauss & Co, their respective employees and/or agents;
- 2.6.3.2** gives any guarantee or warranty to bidders or buyers other than those expressly set out in these general conditions of business (if any), and any implied conditions, guarantees and warranties are excluded.
- 2.6.4** Without prejudice to any other provision of these general conditions of business, any claim against Strauss & Co and/or the seller of a lot by a bidder or buyer shall be limited to the purchase price of the relevant lot. Neither Strauss & Co nor the seller shall be liable for any indirect or consequential losses.
- 2.6.5** The risk in and to a purchased lot shall pass to the buyer in all respects from the first day after a lot was sold to the buyer, whether or not payment has been made, and neither Strauss & Co nor the seller shall thereafter be liable for, and the buyer indemnifies Strauss & Co and the

seller against, any loss or damage of any kind, including whether caused by the negligence of Strauss & Co and/or its employees or agents or the seller. Ownership of and benefit in and to a purchased lot shall only pass to the purchase when the purchase price has been paid in full as provided for in clause 2.10.3.

- 2.6.6** All buyers are required to arrange for their own insurance cover for purchased lots effective from the first day after the date of sale for purposes of protecting their interests in and to the purchased lot. Strauss & Co's insurance cover in respect of the purchased lots will expire on the first day after a lot was sold to the buyer.
- 2.6.7** Strauss & Co does not accept any responsibility, losses or liability for or in respect of lots damaged by, inter alia, insect infestation, changes in atmospheric conditions or other conditions outside its control or for the condition of any glass or picture frames. Strauss & Co shall not be obliged to provide picture frames for any lot, unless such frame forms part of the lot and has been described as such in any catalogue. If a lot is sold with a picture frame such picture frame shall be provided to the buyer on an "as is" basis.

2.7 Import, export and copyright restrictions

- 2.7.1** Save for the representations and warranties expressly set out herein, Strauss & Co and the seller make no representation or warranties, and accept no liability, to the bidder, the buyer or any other third party as to whether any lot is subject to export, import or copyright restrictions or pre-emptive or other rights to purchase by governmental or regulatory authorities.
- 2.7.2** It is the buyer's sole responsibility to comply with the applicable export and/or import legislation.
- 2.7.3** The buyer shall not be entitled to cancel any sale as a result of the buyer being unable to obtain the necessary export and/or import permits, licences or authorisations. The failure by the buyer to obtain the necessary export and/or import permits, licences or authorisations in respect of a lot purchased at an auction, via the online jewellery platform or by way of private treaty, shall not extinguish the buyer's obligation to make payment of the purchase price in respect of such lot, nor shall it terminate the buyer's ownership of such lot.
- 2.7.4** In this regard, and without limiting the generality of the foregoing, the buyers and bidders are advised that:
- 2.7.4.1** Any lot made of or incorporating (irrespective of percentage) materials from endangered and/or other protected species of plants and/or wildlife shall be marked with the symbol * in the lot description or identified in the lot description as such. Notwithstanding the aforesaid, Strauss & Co shall not be liable for errors in the description, or for failing to mark a lot as containing endangered and/or protected species.
- 2.7.4.2** Certain works of art, collector's pieces and antiques may be regarded as prohibited and/or restricted in South Africa and would

- require specific permits and approvals.
- 2.7.4.3** Certain countries regulate the movement of antiquities and cultural items, which in some cases are subject to a right of pre-emption or compulsory purchase by the country from which they are to be imported.
- 2.8** Conduct of the auctioneer
- 2.8.1** The auctioneer has the absolute discretion to withdraw or reoffer lots for sale, to accept and refuse bids and/or to reopen the bidding on any lots should he believe there may be a dispute of whatever nature (including, without limitation, a dispute about the validity of any bid, whether a bid has been made, whether between two or more bidders or between the auctioneer and any one or more bidders) or an error of whatever nature, and may further take such other action as he in his absolute discretion deems necessary or appropriate at or in respect of any auction. The auctioneer shall commence and advance the bidding or offers for any lot in such increments as he considers appropriate.
- 2.8.2** The auctioneer shall be entitled within his sole and absolute discretion to determine the starting bid in respect of each lot offered for sale by means of a live auction.
- 2.8.3** The auctioneer may place consecutive bids on any lot on the seller's behalf up to the reserve.
- 2.8.4** The auctioneer has the absolute discretion to accept or refuse bids from bidders that differ from the increments he was proposing.
- 2.9** No cancellation or returns
No statutory "cooling off" period shall apply in respect of the sale of any lot. A buyer shall accordingly not be entitled to rescind any sale or request a refund of any payment pertaining thereto after his bid has been finally accepted by the auctioneer or the online auction portal, as the case may be, save in the circumstances expressly provided for in these general conditions of business.
- 2.10** Payment and collection; passing of ownership and benefit
- 2.10.1** The buyer acknowledges that Strauss & Co may receive a seller's commission payable by the seller and/or other fees for or in respect of that lot.
- 2.10.2** Unless otherwise agreed in advance, the buyer shall make full payment of the purchase price to Strauss & Co by no later than 2 days after the date of sale (being from the fall of the auctioneer's gavel) (or on such other date as Strauss & Co and the buyer may agree upon in writing) by credit card, direct deposit or electronic funds transfer into the bank account of Strauss & Co for same day value, free from the cost of transfer of funds and without any deduction, set-off or withholding, or such other payment method as Strauss & Co may be willing to accept. Strauss & Co does not accept any cheques or cash and does not accept any credit cards other than MasterCard and Visa.
- 2.10.3** As provided for in clause 2.6.5 above, ownership of and benefit in and to a lot shall not pass to the buyer thereof until Strauss & Co has received settlement of the purchase price of that lot in full and in clear funds.
- Strauss & Co shall not be obliged to release a lot to the buyer prior to receipt in full of the purchase price.
- 2.10.4** Any payments made by a buyer to Strauss & Co may be applied by Strauss & Co towards any sums owing by the buyer to Strauss & Co on any account whatsoever and without regard to any directions of the buyer or his agent.
- 2.10.5** In the event that Strauss & Co and the buyer are unable to agree on the removal, storage, or any other incidental charges relating to a purchased lot within 7 days from the date on which a lot was bought by the buyer, the buyer shall be and remain responsible for any removal, storage, or other charges for any lot and must, subject to the provisions of clause 6, at his own expense ensure that the lot purchased is removed immediately after the auction (unless otherwise agreed to between Strauss & Co and the buyer), provided that the purchase price has been paid in full.
- 2.10.6** If the sale of any lot is legally annulled, rescinded, set aside, cancelled or nullified by the buyer, and Strauss & Co has paid the sale proceeds to the seller, the seller shall immediately refund the full sale proceeds to Strauss & Co, who will in turn refund the purchase price to the buyer, and make the lot available to the seller for collection, unless the sale of a lot is annulled, rescinded, set aside, cancelled or nullified by the buyer or Strauss & Co as a result of such lot being proven to be a forgery. Any annulment, rescission, cancellation or nullification of the sale shall not affect the seller's obligation to pay the seller's commission to Strauss & Co and/or to reimburse any recoverable expenses incurred by Strauss & Co.
- 2.10.7** If applicable, Strauss & Co will issue a valid tax invoice and apply the applicable rate of VAT, irrespective of whether or not Strauss & Co acts as agent on behalf of the seller or as principal, in line with the requirements of the Value Added Tax Act, 1991.
- 2.11** Remedies for non-payment or failure to collect
Without prejudice to any rights that the seller may have and subject to clause 6, if any lot is not paid for in full or removed in accordance with the provisions of clause 2.10, or if there is any other breach of these general conditions of business by the buyer, Strauss & Co as agent of the seller shall, at its absolute discretion and without limiting any other rights or remedies that may be available to it or the seller hereunder or at law, be entitled to exercise one or more of the following remedies:
- 2.11.1** to remove, store (at Strauss & Co's premises or a storage facility chosen at the sole discretion of Strauss & Co and at the cost and expense of the buyer) and insure the lot at the buyer's sole risk and expense;
- 2.11.2** to retain the buyer's full deposit (if any) and set off any amounts owed to the buyer by Strauss & Co against such deposit;
- 2.11.3** to rescind the sale of that or any other lots sold to the buyer at the same or any other auction;
- 2.11.4** to set off any amounts owed to the buyer by Strauss & Co against any amounts owed to Strauss & Co by the buyer for the lot;

- 2.11.5 to reject future bids and offers on any lot from the buyer;
- 2.11.6 to institute legal proceedings and/or any other remedies available to it in law against the buyer, including without being limited, a claim for damages;
- 2.11.7 to resell the lot or cause it to be resold by auction, private treaty or on the online jewellery platform, with estimates and reserves at Strauss & Co's sole discretion, in which event the buyer shall be liable for any shortfall between the original purchase price and the amount received on the resale of the lot, including all expenses incurred by Strauss & Co and the seller in such resale;
- 2.11.8 to exercise a lien over any of the buyer's property in Strauss & Co's possession, applying the sale proceeds in respect of such property to any amounts owed by the buyer to Strauss & Co;
- 2.11.9 to retain that or any other lots sold to the buyer and to release such lots only after payment of the total amount due and owing by the buyer to Strauss & Co in respect of all such lots;
- 2.11.10 to disclose the buyer's details to the seller to enable the seller to institute legal proceedings against the buyer;
- 2.11.11 to charge interest at a rate not exceeding the prime rate plus 3% per month on the total amount due by the buyer to the extent that it remains unpaid after the 2nd day after the date of sale; and/or
- 2.11.12 if the purchase price for the lot is paid for in full but remains uncollected after 2 months of the auction (or such other period as may be determined by Strauss & Co in its sole discretion), Strauss & Co shall be entitled to resell the lot by auction, private treaty or on the online jewellery platform, with estimates and reserves at Strauss & Co's sole discretion and to store the lot, as contemplated in clause 2.11.1, pending resale. The sale proceeds of such lot, if resold, less all expenses incurred by Strauss & Co in respect of such resale and/or any other amounts due by the buyer to Strauss & Co, will be forfeited in favour of Strauss & Co unless collected by the buyer within 2 months of the date of the resale.

6. CONDITIONS SPECIFIC TO THE SALE OF WINE

In addition to the above, the following conditions are applicable in instances concerning the sale of wine

- 6.1 Buyer conditions
- Only persons over the age of 18 years old, or over the age of legal majority in such person's jurisdiction, may enter bids for lots of wine and no person may enter a bid on behalf of another person who is not over the age of 18 years old, or over the age of legal majority in such person's jurisdiction. By placing a bid on wine, the bidder confirms that he/she is over the age of 18 years, or over the age of legal majority in such person's jurisdiction. Any wine delivered to a buyer must be received by a person who is over the age of 18 years, or over the age of legal majority in such person's jurisdiction. If upon delivery of a lot consisting of wine

no person above the age of 18 years, or above the age of legal majority in such person's jurisdiction, is available to accept delivery of the wine, the wine shall be returned to the storage facility referred to in clause 6.5.1 at the buyer's expense.

6.2 Warranties

- 6.2.1 The seller warrants, in addition to all other representations and warranties given in these general conditions of business, that he is in possession of a valid liquor licence (to the extent that he is required by law to be in possession of a liquor licence) and is entitled to sell all lots of wine offered for sale. The seller agrees to indemnify and keep Strauss & Co and the buyer indemnified against any loss or damage suffered by either of them as a result of a failure by the seller to be properly licensed (to the extent that it is required to be licensed) and entitled to sell liquor in accordance with the laws of the Republic of South Africa.
- 6.2.2 Neither the seller nor Strauss & Co gives any warranty or representation as to the origin, age, genuineness, cork condition, content or labelling of any wine, or how any wine has been cellared, if at all.

6.3 Bottle sizes

All wine bottle sizes as described in a catalogue have the following meanings:

- 6.3.1 half bottle - 375 millilitre bottle of wine;
- 6.3.2 standard - 750 millilitre bottle of wine;
- 6.3.3 magnum - the equivalent of 2 standard bottles of wine;
- 6.3.4 double-magnum - the equivalent of 4 standard bottles of wine;
- 6.3.5 jeroboom - the equivalent of 6 standard bottles of wine; and
- 6.3.6 imperial - the equivalent of 8 standard bottles of wine.

6.4 Ullage of wines

- 6.4.1 For the purpose of this clause 6.4, 'ullage' means the amount by which the level of a wine bottle falls short of being full.
- 6.4.2 Ullage levels may vary dependent on the age of the wine and old corks may fail during or after delivery of wine. To the extent possible, the level which a wine bottle may be short of being full will be described in the catalogue in accordance with the diagram provided in Annexure B below.
- 6.4.3 The ullage described in a catalogue by Strauss & Co is based on an inspection conducted by Strauss & Co prior to the sale of wine and such ullage, particularly in the case of older wines, may be subject to variation prior to or after the sale of that wine. Accordingly, the ullage and condition of wine as described in a catalogue is merely provided by Strauss & Co to assist buyers in determining the price of wine and therefore, under no circumstances do Strauss & Co warrant the accuracy of this information and shall not be held liable for the condition of wines or ullage which may differ from their description in a catalogue.
- 6.4.4 Save as provided for in clause 2.6 above, Strauss & Co shall under no circumstances accept any returns or make any refunds or adjustments to prices of sold wines which may result from the natural variations of ullages or poor conditions of cases, labels, corks or wines.

6.5 Storage and collection

- 6.5.1** Strauss & Co is not responsible for the storage of any wines. All wines are stored at a facility determined by the seller in conjunction with Strauss & Co. All costs relating to the storage of wine from date of storage until the 20th business day following the date of auction or the date of sale by way of private treaty shall, unless otherwise agreed to in writing between Strauss & Co and the seller, be born by the seller.
- 6.5.2** Upon payment of the purchase price in full and clear funds, the buyer will be issued with a written confirmation of receipt of such payment from Strauss & Co, which confirmation shall include the details of the storage facility agreed to between the seller and Strauss & Co in terms of clause 6.5.1.
- 6.5.3** The issuance of the written confirmation referred to in clause 6.5.2 shall constitute delivery of the lot to the buyer for all legal purposes.
- 6.5.4** Following the issuance of the written confirmation referred to in clause 6.5.2 the buyer must timeously collect (i.e. before the expiration of the 20th business day referred to in clause 6.5.1) the lot from the facility and must make relevant arrangements in that regard, all of which shall be for the buyer's own cost (unless otherwise agreed to in writing between Strauss & Co and the buyer).
- 6.5.5** Should the buyer fail to collect the lot by the end of the 20th business day following the date of auction or the date of sale by way of private treaty, unless otherwise agreed in writing, the seller:
- 6.5.5.1** shall be entitled to charge the buyer storage costs from that date; and
 - 6.5.5.2** may, in its sole and absolute discretion, move the lot to or within an affiliate or third party warehouse and charge the buyer any transport and/or administration and/or other costs associated therewith.
- 6.5.6** Unless the buyer agrees otherwise with the storage facility, the buyer must collect an entire lot upon collection.
- 6.5.7** Nothing in this clause 6.5 shall be construed to limit any rights that Strauss & Co may have (to the extent applicable) under the general conditions of business, including, without being limited to, clauses 2.10, 2.11 and/or 3.10 above.

6.6 Buyer's Premium and Value Added Tax (VAT)

- 6.6.1** No buyer's premium is charged to the hammer price, however Value Added Tax (VAT) is added on top of the hammer price for wines staying within the borders of South Africa. To receive a VAT exclusive invoice, wines need to be exported within 3 months and all export documents need to be provided.

6.7 Conditions specific to the sale of wine in terms of COVID-19 Lockdown Regulations

- 6.7.1** For the purposes of this clause 6.7, COVID-19 Lockdown Regulations shall mean any regulations or directives issued in terms of section 27(2) of the Disaster Management Act, 2002 relating to COVID-19.
- 6.7.2** Whilst payment for all lots (including lots of wine) shall become due and payable from the fall of the hammer, the sale between the buyer and the seller of any lots of wine will be deferred until the sale and distribution of alcohol is permitted in terms of the COVID-19 Lockdown Regulations. The perfection of the sale in respect of lots of wine shall take place as soon as the COVID-19 Lockdown Regulations allow for the sale of wine lots and the collection of the lots of wine from the storage facility referred to in clause 6.5.1.
- 6.7.3** The deferred sale of lots of wine shall be confirmed by a confirmatory email sent to the buyer in which the details of the deferred sale, including the purchase price, are stipulated.
- 6.7.4** Ownership of any lots of wine shall only pass to the buyer after Strauss & Co has received settlement of the full purchase price for the lots of wine in cleared funds and the sale of the lots of wine is permitted due to either a relaxation or termination of the COVID-19 Lockdown Regulations. Strauss & Co shall not release a wine lot to the buyer for collection prior to full payment thereof and until such time as it is permissible for Strauss & Co to release the lots of wine to the buyer in terms of the COVID-19 Lockdown Regulations.

7. CONDITIONS SPECIFIC TO ONLINE AUCTIONS, LIVE BROADCAST AUCTIONS AND THE ONLINE JEWELLERY PLATFORM

7.1 General

- 7.1.1** In addition to the general conditions of business, which are applicable to all online auctions, live broadcast auctions and any sales via the online jewellery platform, unless specifically varied in terms of this clause 7, the following are the terms and conditions (the 'online terms') under which (a) a user may use the website and any co-branded websites of Strauss & Co at <https://www.straussart.co.za/>, (b) a bidder may take part in an online auction or a live broadcast auction, and/or (c) a bidder may make use of the online jewellery platform. By accessing and using the website or the online jewellery platform or registering for a live broadcast auction, the user and/or the bidder, as the case may be, accepts and agrees to be bound, without modification, limitation or qualification, by the general conditions of business and the online terms. Strauss & Co may, in its sole discretion, modify or revise the general conditions of business and/or the online terms at any time. The user and/or the bidder, as the case may be, is bound by any such modification or revision.
- 7.1.2** If the user does not agree to any of the general conditions of business or the online terms, the user should not enter, view or make use of the website or the online jewellery platform.

- 7.1.3 Specific rules, in addition to the general conditions of business and the online terms, are provided with respect to transactions conducted on or in connection with the website, and other rules may be provided for the use of certain other items, areas or services provided on or in connection with the website, and the user agrees to be bound by such rules.
- 7.1.4 The user agrees that he/she shall be liable for any successful purchase or bid sent from his/her account while logged into the website and/or the online auction portal.
- 7.1.5 The bidder shall only be able to execute a bid on a lot that is sold by way of online auction within the timeframes determined by Strauss & Co in its sole discretion.
- 7.2 Online auctions
- 7.2.1 Only persons who are legally entitled to do so are permitted to place a bid on the website and/or the online auction portal.
- 7.2.2 By placing a bid, the user represents and warrants that:
- 7.2.2.1 the user is legally capable of entering into binding contracts or is duly assisted by his parent or guardian; and
- 7.2.2.2 by doing so, the user accepts that Strauss & Co will rely on the user's representation and warranty that the user has unfettered legal capacity and/or authority to contract.
- 7.2.3 The contract between the buyer and the seller of any lot sold in terms of an online auction shall be deemed to be concluded upon acceptance by Strauss & Co of the bid at the hammer price (after determination of any dispute that may exist). Strauss & Co is not a party to the contract of sale and shall not be liable for any breach of that contract by either the seller or the buyer. Where a lot remains unsold, no contract of sale is concluded.
- 7.2.4 Due to the nature of an online auction and the fact that an offer for the sale of a lot is open for a long period of time, which provides a user with ample time to consider whether to place a bid, the provisions of the Consumer Protection Act, 2008 regarding the retraction of a bid prior to the fall of the hammer, shall not be applicable to any online auction. Therefore, once a bid in respect of the sale of a lot has been placed by a bidder, such a bid shall be regarded as final and the bidder shall not be able to retract the bid.
- 7.2.5 Strauss & Co shall be entitled within its sole and absolute discretion to deny any user access to the website and/or the online auction portal and shall furthermore be entitled to de-register any user who has registered to use the website and/or the online auction portal should Strauss & Co suspect that such user is not a genuine bidder, buyer, seller or user of the website and/or the online auction portal, may be acting illegally, fraudulently or in bad faith or intends to misuse, disrupt or interfere with the auctions or will breach or has breached the general conditions of business and/or online terms. Strauss & Co shall not be liable for any losses or claims of whatsoever nature arising from any denial of access to the website and/or the online auction portal or user de-registration as contemplated in this clause 7.2.5.
- 7.2.6 Strauss & Co shall be entitled within its sole and absolute discretion to determine the starting bid in respect of each lot offered for sale by means of an online auction.
- 7.2.7 In the event that the buyer does not elect to make use of any of the delivery options provided for on the website and/or the online auction portal, the buyer shall be and remain responsible for any removal, storage, or other charges for any lot and must, subject to the provisions of clause 6, at his own expense ensure that the lot purchased is removed immediately after the auction (unless otherwise agreed to between Strauss & Co and the buyer), provided that the purchase price has been paid in full.
- 7.2.8 Should a bidder execute a higher bid in respect of any lot sold by way of an online auction within the last 5 minutes before the auction closes, all bidders who have placed a bid for such lot before such higher bid has been executed, shall be allowed to continue bidding on such lot, notwithstanding that the auction has closed, for such extended period which shall end at such time when no bid has been executed within 5 minutes of the last bid being executed during the extended period.
- 7.2.9 Any dispute of whatever nature about any bid or about the identity of the buyer (including without limitation any dispute about the validity of any bid, or whether a bid has been made, or any dispute between two or more bidders) shall be determined at Strauss & Co's absolute discretion, and in such a manner that Strauss & Co deems fair, reasonable and appropriate.
- 7.3 Use of the website
- 7.3.1 A user is responsible for the user's own communications on the website and is responsible for the consequences of its posting. While using the website, a user may not:
- 7.3.1.1 post any material on the website in terms of which the user is not the owner of the intellectual property or other proprietary rights therein or does not have the permission of the owner of such intellectual property or rights to post or transmit such material to the website;
- 7.3.1.2 post material on the website that otherwise violates any rights of any third party or violates or infringes on the privacy or publicity rights of third parties;
- 7.3.1.3 post material on the website that is illegal, unlawful, obscene, defamatory, discriminatory, disparaging of others, derogatory, inflammatory, harassing, insulting, offensive or likely to promote violence or hatred against others or that contains abusive, offensive or profane language nor may such content be associated in linking to the website;
- 7.3.1.4 post advertisements or solicitations of business;
- 7.3.1.5 post or transmit any chain letters or pyramid schemes;

- 7.3.1.6 impersonate another person or entity; and
- 7.3.1.7 intentionally or unintentionally violate any applicable South African or international law while using the website.
- 7.3.2 If notified by a user or any third party of any communication on the website that allegedly does not conform to any provision of the general conditions of business or online terms, Strauss & Co may investigate the allegation and determine in its sole and absolute discretion whether to remove or request the removal of the communication from its website.
- 7.3.3 Strauss & Co reserves the right at all times to disclose any information as necessary or deemed desirable by Strauss & Co to satisfy any applicable South African or international law, regulation, legal process, or governmental request or to edit, refuse to post or to remove any information or materials, in whole or part, from its website in Strauss & Co's sole and absolute discretion.
- 7.3.4 The website may contain links to other websites. Strauss & Co has no control over such websites, does not review their content and will not be liable for their content or accuracy. The user accesses such websites at the user's own risk and discretion.
- 7.3.5 The user may provide a link to the website in its communications, provided that the user will only provide a link to the website's homepage and will not replicate any particular page, including the homepage. When linking to the website, the user confirms and agrees that it will comply and ensure compliance (*mutatis mutandis*) with the requirements of this clause 7.
- 7.3.6 Although every effort will be made to have the website available and fully operational at all times, the website may become unavailable or not fully operational due to maintenance or repairs, loss of connectivity, software malfunction or some other form of interruption. Strauss & Co does not warrant against nor will it be held liable for such unavailability and/or operational difficulties and is hereby indemnified from any loss, damage, claims, costs or penalties incurred by a user, bidder or seller as a result of such unavailability and/or operational difficulties.
- 7.4 Registration, passwords and signatures
 - 7.4.1 The user agrees to: (a) provide true, accurate, current and complete information about the user as prompted by any registration form that the user may fill out on the website (such information being the 'registration data') and (b) maintain and promptly update the registration data to keep it true, accurate, current and complete. If the user provides any registration data that is untrue, inaccurate, not current or incomplete, or Strauss & Co has grounds to suspect that such registration data is untrue, inaccurate, not current or incomplete, Strauss & Co has the right to suspend or terminate the user's account and refuse any and all current or future use of the website (or any portion thereof).
 - 7.4.2 The user may receive a password and/or account designation, or a digital signature upon completing the registration process on the website. The user is responsible for maintaining the confidentiality of any such

password, digital signature and account, and is fully responsible for all activities that occur under the user's password, digital signature or account. The user agrees to (a) immediately notify Strauss & Co of any unauthorised use of the user's password, digital signature or account or any other breach of security, and (b) ensure that the user exits/logs out from its account at the end of each session. Strauss & Co cannot and will not be liable for any loss or damage arising from the user's failure to comply with this clause 7.5.2.

- 7.4.3 Strauss & Co does not knowingly collect personal information from children under the age of 18, or under the age of legal majority in such person's jurisdiction, through the website. If the user is under the age of 18, or under the age of legal majority in such person's jurisdiction, the user is requested not to give Strauss & Co any personal information. Strauss & Co encourages parents and legal guardians to monitor their children's internet usage and to help enforce its privacy policy by instructing their children to never provide personal information through any website without their permission. If the user has reason to believe that a child under the age of 18, or under the age of legal majority in such person's jurisdiction, has provided personal information to Strauss & Co, the user is requested to contact Strauss & Co, in which event Strauss & Co will endeavor to delete such information from its databases.

7.5 Malicious software and offences

7.5.1 The user warrants that:

- 7.5.1.1 the user will not use the website in any way that causes, or is likely to cause, the website and access to the website to be interrupted, damaged or impaired in any manner;
- 7.5.1.2 no form of virus, Trojans, worms, logic bombs, or other malicious coding, virus or software will be introduced onto the website or into Strauss & Co's information technology systems which may cause any form of technological harm or any other form of harm in any manner or respect;
- 7.5.1.3 the user will not use any robot, spider, scripts, service, software or any other automatic or manual device, tool, or process (a) for the purpose of compiling information regarding the identification, address or other attributes of any of Strauss & Co's users, bidders, sellers or buyers; or (b) to recreate in original or modified form any substantial portion of the website; or (c) to data mine or scrape any of the content on the website; or (d) otherwise access or collect any of the content, data, or information from the website using automated means;
- 7.5.1.4 the user will not: (a) use services, software or any manual or automatic device, tool, or process to circumvent any restriction, condition, or technological measure that controls access to the website in any way, including overriding any security feature or bypassing or circumventing any access or use controls of the

website; or (b) cache or archive any content; or (c) do anything that would impose an unreasonable or disproportionately large load on the website; or (d) do anything that may disable, damage or change the appearance of the website or interfere or attempt to interfere with the proper functioning of the website or any transactions being conducted on or in connection with the website.

7.5.2 Any breach of this clause 7.6 regarding malicious software and offences will be reported to the relevant law enforcement agencies and Strauss & Co will co-operate in all respects with those law enforcement agencies, including by way of disclosure of the identity and other personal information of the user.

7.5.3 Although Strauss & Co and its representatives will use reasonable efforts to ensure that no malicious content can be received from the website, Strauss & Co does not warrant that the website is free of malicious content or viruses and Strauss & Co will not be held liable for any loss resulting from a distributed denial-of-service attack, or any malicious content as described in clauses 7.6.1.2, 7.6.1.3 and 7.6.1.4 which may infect any user's computer or device, computer equipment, data or any other proprietary material where such loss is or may be attributed to the user's use of the website or downloads received from the website.

7.5.4 The user warrants that the user will not use the website in any manner that will contravene any applicable law or cause any annoyance, unnecessary anxiety or inconvenience to any person.

7.6 The content on the website

7.6.1 The content of the website is not intended for minors. Such content extends to a wide range of art and antiquities, is generally uncensored, and may include nudity or graphic or literary content that some people may consider offensive. If the user allows its minor child to use any of its devices, it is the user's responsibility to determine whether any of the services, content and subject matter displayed on the website is inappropriate for the user's child, and to control the user's child's use of its devices and access to the website. If the user finds offensive content of the type referred to in this clause 7.7.1, the user should not use the website.

7.6.2 The contents of the website, such as text, graphics, images, audio, video, data, coding, scripts, computer programs and other material ('material' or 'materials'), are protected by copyright laws and are owned or controlled by Strauss & Co or by third parties that have licensed their material to Strauss & Co. Strauss & Co authorises the user to view and download a single copy of the material solely for the user's personal, non-commercial use, or solely for purposes of facilitating a transaction with Strauss & Co. The use of any software that is made available for downloading from the website ('software') is governed by the terms of the software license agreement accompanying such software (the 'license agreement'), and is conditional on the user's agreement to be bound by the terms of the license agreement. All rights in and to the material not expressly

granted to the user in the general conditions of business are reserved. Neither the availability of, nor anything contained within the website shall be construed as conferring any license under any of Strauss & Co's or any third party's intellectual property rights, other or further than as expressly provided in this clause 7.7.2, whether by implication, estoppel or otherwise.

7.6.3 Unauthorised use of the material may violate copyright, trademark, and other laws. The user may not sell, prepare derivative works based on or modify the material (including, without limitation, preparation of summaries of the material or 'thumbnails' of any images therein), or reproduce, publicly display, publicly perform, distribute, or otherwise use the material in any way for any public or commercial purpose. The use of the material or any portion thereof on any other website, or in any publication, database, catalogue or compilation, or in a networked computer environment for any purpose other than personal browsing of the website without the express prior written permission of Strauss & Co is strictly prohibited. With respect to any copy the user makes of the material within the scope of the limited personal licence granted herein, the user must retain therein, unmodified and unobscured, any and all copyright and other proprietary notices contained in the original material. Some of the material may contain digital 'watermarks' to indicate their source and ownership. The user agrees not to attempt to remove, deactivate, reverse engineer, modify, tamper with or obscure any such watermarks. The trademarks, logos and service marks (the 'marks') displayed on the website are owned by Strauss & Co or third parties. The user is prohibited from using the marks without the express, prior written permission of Strauss & Co or such third party. If the user would like information about obtaining Strauss & Co's permission to use the material on the user's website, the user is required to email info@straussart.co.za.

7.6.4 If a user violates any provision of the general conditions of business, that user's permission to use the material and the website automatically terminates and the user must immediately destroy any copies made by the user of the material.

7.6.5 Notices of claims of copyright infringement should be directed to Strauss & Co at the address set out in clause 5.

7.6.6 Content published on the website reflects the views of the author and does not necessarily constitute the official opinion of Strauss & Co unless otherwise stated.

available for such period as may be prescribed under applicable law.

- 7.8** Use of the auction or commerce portions of the website

The user agrees to comply with such restrictions and not to export or re-export the material (including software) to countries or persons prohibited under the export control laws. By downloading the material (including software), the user agrees that it is not in a country where such export is prohibited and that the user is not on the list of Specially Designated Nationals and Blocked Persons maintained by the Organisation for Economic Co-operation and Development (OFAC), any other OFAC sanctions lists, the Consolidated List of Financial Sanctions Targets, the Consolidated List of Persons, Groups and Entities Subject to European Union (EU) Financial Sanctions maintained by the EU, or any other list of targeted persons, entities, groups or bodies issued by or on behalf of the United Nations, US, EU, United Kingdom (or any other member state of the EU); (ii) that is, or is part of, a government of any country or other territory subject to a general export, import, financial or investment embargo under any anti-bribery or corruption legislation ('sanctioned territory'); (iii) owned or controlled by, or acting on behalf of, any of the foregoing; (iv) incorporated or located within or operating from or doing business in a sanctioned territory; or (v) otherwise targeted under any anti-bribery and corruption legislation.
- 7.10** Liability disclaimers
- 7.10.1** Any commentary, advice, information, suggestions, opinions, answers or any other information posted on the website is not intended to nor shall it be interpreted to amount to advice on which reliance should be placed and is posted merely for guidance purposes only. The user makes use of any such information at the user's own risk and in the user's own discretion and disclaims and indemnifies Strauss & Co from and against any and all liability and responsibility arising from any reliance placed on such information whether posted on the website or by any other person visiting the website.
- 7.10.2** Neither Strauss & Co nor any of our agents or representatives make or give any representations, guarantees or warranties of any kind (whether express or implied) as to the suitability, usability, accuracy or functionality or the auctions on the website.

profits, commercial or economic loss; whether caused by latent or patent defects in the website, the access or use of the website and content contained on the website or otherwise, including in respect of any damage to any information technology system or device or loss of data that results from such activities; and any other loss of whatsoever nature, however arising out of or in connection with the general conditions of business.

- 7.10.4** The user acknowledges that the website may be subject to malfunctions and delays inherent in the use of the internet and electronic communications. Strauss & Co HEREBY DISCLAIMS ANY LIABILITY FOR ANY DELAY IN, THE UNAVAILABILITY OR INACCESSIBILITY OF THE WEBSITE. Neither Strauss & Co, nor any of its suppliers, contractors and sponsors assume any liability whatsoever for any direct or indirect loss or damage arising from electronic communications errors or failures, technical hardware and software failures, lost, unavailable or delayed network connections or failed or incomplete electronic transmissions which may limit the user's ability to participate in the auctions.
- 7.10.5** Strauss & Co shall not be held liable for and is hereby indemnified from any direct or indirect loss or damage incurred as a result of the user's failure to provide Strauss & Co with accurate information or to keep the user registration and account information secure and/or arising from the unauthorised use of the user's log-in credentials, passwords or digital signature.

The user agrees to defend, indemnify, and hold harmless Strauss & Co, its officers, directors, employees and agents, from and against any losses, liabilities, damages, costs, and expenses, including, without limitation, reasonable legal, expert and accounting fees, incurred in connection with any claims, actions or demands alleging or resulting from the user's use of the website, the material (including software), the user's breach of the general conditions of business, or the user's violation of law or of the rights of any third party. Strauss & Co shall provide notice to the user promptly of any such claim, suit, or proceeding and, if it is one asserted by a third party, shall provide reasonable assistance to Strauss & Co, at the user's expense, in defending any such claim, suit or proceeding.
